The main goal of having the Deaf LGBTQI Leadership & Lifestyle Camp is for everyone to strengthen their skills as leaders, to exchange information and experiences, to gain confidence as well as to have fun and enjoy themselves in a private campground rather than staying at costly hotel and eating out at restaurants. The camp is ideal for not only to meet new and old friends, we can be ourselves and not worry about how we look. We have the entire camp to ourselves for the whole weekend to relax in a beautiful nature setting!**
